## **REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF BOUBYAN BANK K.S.C.P.**

### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Boubyan Bank K.S.C.P. (the "Bank") and its subsidiaries (collectively "the Group") as at 31 March 2019, and the related interim condensed consolidated statement of profit or loss, statement of other comprehensive income, statement of changes in equity and statement of cash flow for the three months period then ended. The management of the Bank is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of presentation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of presentation set out in Note 2.

### **Report on other Legal and Regulatory Requirements**

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of accounts of the Bank. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended, and its executive regulations, as amended, or of the Bank's Articles of Association and Memorandum of Incorporation, as amended, during the nine months period ended 31 March 2019 that might have had a material effect on the business of the Bank or on its financial position.

We further report that, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations, during the nine months period ended 31 March 2019 that might have had a material effect on the business of the Bank or on its financial position.

## **1. INCORPORATION AND ACTIVITIES**

Boubyan Bank K.S.C.P. (“the Bank”) is a Kuwaiti public shareholding company incorporated on 21 September 2004, in accordance with the Commercial Companies Law in the State of Kuwait, by Amiri Decree No. 88 and in accordance with the rules and regulations of the Central Bank of Kuwait (“CBK”) (Law No. 30 of 2003).

The Bank’s shares were listed on the Kuwait Stock Exchange on 15 May 2006.

The Bank was licensed by the CBK on 28 November 2004. The Bank is principally engaged in providing banking services, in accordance with Codes of the Islamic Sharia’a, as approved by the Bank’s Sharia’a Supervisory Board.

On 31 July 2012; the Bank became a subsidiary of National Bank of Kuwait K.S.C.P. (“the Parent Company”).

This interim condensed consolidated financial information as at and for the three months period ended 31 March 2019 incorporates the financial information of the Bank and its principal operating subsidiaries, Boubyan Takaful Insurance Company K.S.C. (Closed) and Boubyan Capital Investment Company K.S.C. (Closed), (together referred to as “the Group”) and the Group’s interests in associates.

The address of the Bank’s registered office is P.O. Box 25507, Safat 13116, State of Kuwait.

This interim condensed consolidated financial information was authorised for issue by the Board of Directors on 7 April 2019.

## **2. SIGNIFICANT ACCOUNTING POLICIES**

### **2.1 Basis of preparation**

The interim condensed consolidated financial information of the Group has been prepared in accordance with International Accounting Standard (IAS) 34, ‘Interim Financial Reporting’ except as noted below. The accounting policies used in the preparation of these interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2018 except for the changes described below arising from the adoption of IFRS 16 ‘Leases’ effective from 1 January 2019.

The annual consolidated financial statements for the year ended 31 December 2018 were prepared in accordance with regulations for financial services institutions as issued by the Central Bank of Kuwait (“CBK”) in the State of Kuwait. These regulations require expected credit loss (“ECL”) to be measured at higher of the ECL on credit facilities computed under IFRS 9 according to the CBK guideline or the provisions as required by CBK instructions; the consequent impact on related disclosures; and the adoption of all other requirements of International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standard Board (“IASB”). The ECL for Islamic financing to customers as at 31 March 2019 is **KD 48,432** thousand (31 December 2018: KD 49,914 thousand) which is lower than the provision for impairment of Islamic finance to customers required by CBK.

The interim condensed consolidated financial information does not contain all information and disclosures required for the annual consolidated financial statements prepared in accordance with IFRS as adopted for use by the State of Kuwait, and should be read in conjunction with the Group’s annual consolidated financial statements as at 31 December 2018. Further, results for interim periods are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2019.

For the period from 1 January 2019 to 31 March 2019

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)****2.2 Changes in accounting policies and disclosures****Adoption of IFRS 16 ‘Leases’**

The Group has adopted IFRS 16 issued in January 2016 with a date of initial application of 1 January 2019. IFRS 16 replaces IAS 17, IFRIC 4, SIC-15 and SIC-27. IFRS 16 sets out the principles for the recognition, measurement, presentation and disclosure of leases. The Group, as a lessee, has adopted the following accounting policy in respect of its leases:

At inception of a contract, the Group assesses whether the contract is a lease. A contract is a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for a consideration. If the contract is identified as a lease, the Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred. The right-of-use asset is subsequently depreciated using the straight-line method over the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Group’s incremental borrowing rate. The lease liability is subsequently measured at amortised cost using the effective yield method.

*Impact on adoption of IFRS 16*

The Group has applied IFRS 16 using the modified retrospective approach and therefore the comparative information has not been restated. Lease liabilities and right of use of assets were both recorded at the present value of future lease payments, thus no impact was recorded on the opening retained earnings. The Group presents right-of-use assets in ‘property and equipment’ and lease liabilities in ‘other liabilities’ in the interim condensed consolidated statement of financial position.

**13. SEGMENT REPORTING**

Operating segments are identified on the basis of internal reports that are regularly reviewed by the decision makers in order to allocate resources to the segments and to assess their performance. The operating segments are divided as either business segments or geographical segments.

**Business Segments**

For management purposes, the Bank is organized into the following four major business segments:

**Consumer banking:** Provides a diversified range of products and services to individuals and institutional customers. The range includes consumer finance, credit cards, deposits and other branch related services.

**Corporate banking:** Provides Murabaha, Ijarah, trade service and other related services to business and corporate customers.

**Investment banking:** Principally handling direct investments, investment in associates, local and international real estate investment and asset management.

**Treasury:** Principally handling local and international Murabaha and other Islamic financing, primarily with banks, as well as the management of the Bank's funding operations.

**Group centre:** Includes other group activities and residual in respect of transfer pricing and inter segment allocation.

**14. FAIR VALUE OF FINANCIAL INSTRUMENTS**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in orderly transactions between market participants at the measurement date. Fair values are obtained from quoted market prices, discounted cash flow models and other models as appropriate.

**Fair value hierarchy**

The table below analyses financial instruments measured at fair value by valuation method. The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: input other than quoted prices included within Level 1 that are observable, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs that are not based on observable market data (unobservable inputs).
